JURORS

FLO BARTELL: Under the strong influence of her family of artists, artisans, and musicians, Flo Bartell spent her childhood dancing, making music, and

creating from material she found in her backyard, around the house, and in her mother's sewing basket. At age 10, she began formal art training. Though her passion for art continued, she chose a career in education and mental health. After years working in those disciplines, she began studying and making art again. Now, decades later, she maintains an active studio practice and teaches encaustic painting and sculpture. She is represented by Art Central Gallery in San Luis Obispo. www.flobartell.com

JULIE DUNN is an accomplished artist and art educator with a BA degree in Drawing and Painting and a teaching credential in Art Education. Her art career has spanned over 35 years. She creates unique tempera batik paintings and shares her specialized technique through demonstrations and hands-on workshops. Julie co-owned two art galleries in San Luis Obispo, where she exhibited her work for 18 years, and she currently owns Park Street Gallery in downtown Paso Robles. www.JulieDunnFineArt.com

L. TRACY PAZ received Bachelor and Master of Science degrees from CSULA with studies at De Cordova Museum School and California Art Institute. She explores universal themes in her current work with mandalas, and her landscapes capture the wanderlust of the Central Coast. Her award-winning art was exhibited at the L.A. County Arboretum and Huntington Botanical Gardens. Her oil, *Variant Surge*, received Best of Show at the 2022 Beacon Art Show in San Luis Obispo. Paz is an Emeritus member of SLOPE (San Luis Obispo Painters for the Environment) and an Associate with Distinction member of American Women Artists. www.fourcrowsstudio.com

The Jurors and The Painters Group reserve the right to reject any painting that does not meet the standards shown in the images supplied. Art work must be original wall-hung paintings, securely wired. No sawtooth hangers allowed.

Submission of work to this exhibition constitutes an agreement to the conditions stated in the Call For Artists and a commitment to show accepted work for the duration of the exhibition. By entering this exhibition, artists agree to allow The Painters Group and Art Center Morro Bay to use submitted images in promotional material.

The Painters Group and Art Center Morro Bay representatives will make every reasonable effort to protect art from the time it is received until it is returned to the artist. They will not be held responsible for any damage or theft of work. Artists are encouraged to carry their own insurance.

THE PAINTERS GROUP (TPG) is open to all painters in any location, ranging from emerging to professional. All painting mediums are represented, and

the goal of TPG is to enhance the art of painting through exhibitions, workshops, and critiques. TPG is affiliated with the Central Coast Artists Collective.
