ART CENTER MORRO BAY: This Central Coast, CA destination venue has grown in popularity for national and international exhibitions in recent years. It offers an ideal setting to showcase "On and Off The Wall" sculpture as a complement to The Painters Group-TPG's artwork selections. This inspiring art space draws local and out-of-area guests five days a week, with engaging programs, classes and monthly art walks. Friendly docents are trained to share exhibit and artist information with the public.
